

**James 1:22-27**  
**“Furthering Faith”**

This Sunday we were back in the book of James finishing up chapter 1:19-27 the topic is still the “**Believers maturity**” and how that was accomplished through:

- A. Enduring through trials
- B. Enduring through temptations

And as we began this study with trials being something that happen too us and temptation something that we are to avoid James goes on to describe the one thing that can facilitate spiritual growth in our lives the Word of God. James want’s his readers to know three ways in which the maturing believer will digest God’s word in their life that will effect their maturity:

- 1. Vs. 19-21 How they **HEAR** it
- 2. Vs. 22-25 How they **APPLY** it
- 3. Vs. 26-27 How they **SHARE** it

This Sunday we will focus our attention upon How they **APPLY** it, How they **SHARE** it.
